In this article, we will delve into the features, specifications, performance, and overall value of the 2005 Mercedes C230, helping potential buyers and enthusiasts understand what this vehicle has to offer.

Overview of the 2005 Mercedes C230

The 2005 Mercedes C230 was part of the second generation of the C-Class, which was produced from 2001 to 2007. This model was designed to appeal to drivers looking for a luxury vehicle that provided a spirited driving experience without compromising on comfort. The C230 is available in both sedan and sport coupe versions, catering to varying preferences among luxury car buyers.

Key Features

The 2005 Mercedes C230 comes equipped with a range of features that enhance both its performance and comfort. Some of the key features include:

- **Engine Options:** The C230 is powered by a 2.5-liter V6 engine producing 189 horsepower and 192 lb-ft of torque, which is paired with a 6-speed manual or a 5-speed automatic transmission.
- **Interior Quality:** The cabin is adorned with high-quality materials, including leather upholstery, wood trim, and plush seating, ensuring a luxurious feel.
- **Safety Features:** Standard safety features include antilock brakes, stability control, and multiple airbags, offering peace of mind for drivers and passengers alike.
- **Technology:** The vehicle features a premium sound system, optional navigation, and advanced climate control, keeping occupants entertained and comfortable on the road.

Performance and Handling

One of the standout aspects of the 2005 Mercedes C230 is its performance. The vehicle's V6 engine delivers a responsive and enjoyable driving experience.

Driving Dynamics

- **Acceleration:** The C230 accelerates smoothly, with a 0-60 mph time of approximately 7.5 seconds, making it competitive within its class.
- **Handling:** Equipped with a sport-tuned suspension, the C230 provides excellent handling and road feedback, allowing drivers to navigate corners with confidence.
- **Ride Comfort:** Despite its sporty characteristics, the C230 maintains a comfortable ride, absorbing

road imperfections effectively.

Fuel Economy

For a luxury vehicle of its class, the fuel economy of the 2005 Mercedes C230 is respectable:

- City: Approximately 19 miles per gallon (mpg)
- Highway: Approximately 27 mpg
- Combined: Roughly 22 mpg

This level of efficiency is commendable for a vehicle with a V6 engine, making it a practical choice for daily commuting and longer journeys.

Interior and Comfort

The interior of the 2005 Mercedes C230 is designed with driver and passenger comfort in mind. Its layout is intuitive, with controls that are easy to reach and operate.

Seating and Space

- Front Seats: The front seats are supportive and spacious, ideal for long drives, with ample headroom and legroom.
- Rear Seats: While the rear seats may feel a bit snug for taller passengers, they still provide decent comfort for adults.
- Cargo Space: The sedan version offers a trunk space of about 15 cubic feet, which is competitive for the class, while the coupe manages a slightly smaller capacity.

Technology and Features

The 2005 Mercedes C230 also includes various technological features that enhance the driving experience:

- Audio System: A standard audio system with CD player and optional premium sound system provides high-quality sound.
- Navigation System: An optional DVD-based navigation system is available, making it easier for drivers to find their way.
- Climate Control: Dual-zone climate control allows both driver and passenger to set their preferred temperatures.

Safety Ratings and Features

Safety is a significant consideration for any vehicle, and the 2005 Mercedes C230 does not disappoint in this area.
