

amendments 11 27 worksheet

Amendments 11 27 worksheet is a valuable resource for educators and students alike, providing a comprehensive overview of the last 17 amendments to the United States Constitution. Understanding these amendments is crucial for grasping the evolution of American law and the rights afforded to citizens. This article delves into the details of each of these amendments, their historical significance, and their impact on American society. The amendments, ranging from the protection of individual rights to the structural framework of government, reflect the changing needs and values of the nation.

Overview of the Amendments

The United States Constitution is a living document, meant to adapt to the changing social and political landscape of the country. The amendments are essential in protecting individual liberties and ensuring a functioning democracy. The amendments from 11 to 27, in particular, address a variety of issues that have arisen since the Constitution's ratification in 1788.

Amendment 11: Judicial Limits

The 11th Amendment, ratified in 1795, specifically addresses the judicial power of the United States in relation to individual states. It states:

> "The Judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by Citizens of another State, or by Citizens or Subjects of any Foreign State."

Key Points:

1. Sovereign Immunity: This amendment establishes the principle of sovereign immunity, meaning states cannot be sued in federal court by citizens of another state or by foreign entities.
2. Impact on States' Rights: It emphasizes the rights of states and limits federal jurisdiction over state matters.
3. Historical Context: The amendment arose from the case of *Chisholm v. Georgia*, where the Supreme Court ruled in favor of a South Carolina citizen suing Georgia, prompting fears about states being vulnerable to lawsuits.

Amendment 12: Election of the President and Vice President

Ratified in 1804, the 12th Amendment revised the procedure for electing the President and Vice President.

Key Features:

- Electoral College Reform: It mandates separate electoral votes for President and Vice President.
- Contingent Election: If no candidate receives a majority of electoral votes, the House of Representatives selects the President, and the Senate selects the Vice President.

Amendments 13-15: Civil War Amendments

These three amendments, known as the Civil War Amendments, were ratified in the aftermath of the Civil War to address issues of slavery and civil rights.

1. 13th Amendment (1865): Abolished slavery and involuntary servitude, except as punishment for a crime.
2. 14th Amendment (1868): Granted citizenship to all persons born or naturalized in the United States and provided equal protection under the law.
3. 15th Amendment (1870): Prohibited the federal and state governments from denying a citizen the right to vote based on "race, color, or previous condition of servitude."

Amendment 16: Income Tax

Ratified in 1913, the 16th Amendment allows Congress to levy an income tax without apportioning it among the states.

Significance:

- Revenue Generation: It has become a primary source of federal revenue.
- Economic Impact: It has profound implications for federal fiscal policy and wealth distribution.

Amendment 17: Direct Election of Senators

The 17th Amendment, ratified in 1913, changed the way U.S. senators are elected.

Details:

- Popular Vote: Senators are now elected by the popular vote of the citizens of each state rather than being chosen by state legislatures.
- Increased Accountability: This amendment aimed to make senators more responsive to the electorate.

Amendments 18 and 19: Prohibition and Women's Suffrage

1. 18th Amendment (1919): Established the prohibition of alcohol, leading to the era known as Prohibition.
 - Repealed: It was later repealed by the 21st Amendment in 1933.
2. 19th Amendment (1920): Granted women the right to vote, marking a significant milestone in the women's suffrage movement.

Amendments 20-22: Twentieth Century Changes

1. 20th Amendment (1933): Shortened the time between the election and the inauguration of the President and Congress.
2. 21st Amendment (1933): Repealed Prohibition, acknowledging the failure of the 18th Amendment.
3. 22nd Amendment (1951): Limited Presidents to two terms in office, a reaction to Franklin D. Roosevelt's four terms.

Amendments 23-27: Expanding Rights and Procedures

1. 23rd Amendment (1961): Granted residents of Washington, D.C. the right to vote in presidential elections.
2. 24th Amendment (1964): Prohibited the use of poll taxes in federal elections, removing a barrier to voting.
3. 25th Amendment (1967): Clarified presidential succession and procedures for filling a vacancy in the office of the Vice President.
4. 26th Amendment (1971): Lowered the voting age to 18, reflecting the changing attitudes toward youth and civic engagement.
5. 27th Amendment (1992): Prevented Congress from giving itself pay raises without a delay until the next election.
