## Jamie Oliver's Bacon and Egg Pie Recipe

Jamie Oliver's version of bacon and egg pie is celebrated for its ease of preparation and the use of fresh ingredients. Here is a step-by-step guide to creating this scrumptious dish in your own kitchen.

# Ingredients

To make Jamie Oliver's bacon and egg pie, you will need the following ingredients:

- 500g of ready-made shortcrust pastry
- 200g of streaky bacon, chopped
- 6 large eggs
- 100ml of double cream
- 1 tablespoon of Dijon mustard
- Salt and pepper, to taste
- Fresh herbs (optional, such as parsley or chives)
- A splash of milk, for glazing

## Preparation Steps

Follow these steps to create the perfect bacon and egg pie:

1. **Preheat the Oven:** Begin by preheating your oven to 200°C (400°F).

2. **Prepare the Pastry:** Roll out the shortcrust pastry on a lightly floured surface. You will need enough to line a pie dish, including a bit overhanging to create a decorative edge.
3. **Cook the Bacon:** In a frying pan, cook the chopped bacon over medium heat until it is crispy. Remove from heat and let it cool slightly.
4. **Make the Filling:** In a large bowl, crack the eggs and whisk them together. Add the double cream, Dijon mustard, and season with salt and pepper. Stir in the cooked bacon and any fresh herbs you desire.
5. **Assemble the Pie:** Pour the filling into the pastry-lined pie dish. Fold the overhanging pastry over the filling and crimp the edges to seal. Alternatively, you can roll out additional pastry to create a top crust.
6. **Glaze the Pie:** Brush the top of the pie with a splash of milk to achieve a golden color when baked.
7. **Bake:** Place the pie in the preheated oven and bake for about 30-35 minutes, or until the pastry is golden and the filling is set.
8. **Cool and Serve:** Once baked, allow the pie to cool for a few minutes before slicing. Serve warm or at room temperature.
