Civilization 6 Teddy Roosevelt Guide

Civilians and strategists alike find a great deal of enjoyment in the immersive world of Civilization VI (Civ 6). Among the many leaders you can choose from in the game, Teddy Roosevelt stands out due to his unique abilities and playstyle. This guide will delve into Teddy Roosevelt's strengths, strategies, and tips to maximize your gameplay experience when playing as the 26th President of the United States.

Overview of Teddy Roosevelt

Teddy Roosevelt is the leader of the American civilization in Civ 6. Known for his robust personality and progressive policies, his gameplay reflects his historical emphasis on expansion, military strength, and cultural influence. In Civ 6, he boasts unique abilities, units, and infrastructure that make him a formidable leader.

Unique Abilities

Teddy Roosevelt possesses several unique abilities that define his playstyle:

1. Leader Ability: Roosevelt Corollary

- Teddy's unique ability grants him extra Diplomatic Policy slots for each city on a continent where he has a city. This enables a more flexible approach to diplomacy and makes it easier to adapt to changing circumstances, whether that be through war or trade.

2. Civilization Ability: Founding Fathers

- This ability allows Teddy to gain extra Governor titles when he founds a city on a continent where he has no other cities. This gives him a strategic advantage in establishing new settlements and leveraging the power of Governors early in the game.

3. Unique Unit: Rough Rider

- The Rough Rider is an upgraded cavalry unit that gains bonuses when fighting on its home continent and earns additional combat strength when fighting adjacent to friendly units. This makes Teddy an effective leader in both offense and defense.

4. Unique Infrastructure: National Park

- Teddy can create National Parks, which provide significant tourism and appeal bonuses. This ability emphasizes his historical love for nature and the outdoors, allowing players to benefit from cultural victories.

Strategies for Playing as Teddy Roosevelt

Playing as Teddy Roosevelt requires a blend of expansion, military prowess, and cultural development. Here are some strategies to consider:

Early Game Strategy

1. Found Cities Strategically

- Focus on establishing cities on different continents. This will allow you to maximize the benefits of your leader ability, Roosevelt Corollary, and gain extra Diplomatic Policy slots.

2. Utilize Governors

- Quickly appoint Governors to newly founded cities to enhance their growth and stability. They provide various bonuses that can help you develop your cities more effectively.

3. Explore Early

- Send scouts into uncharted territories to find new lands and city-states. The early discovery of other continents will allow you to rapidly expand and establish a strong foothold.

Mid Game Strategy

1. Build Rough Riders

- As you progress into the mid-game, build Rough Riders to dominate the battlefield. Their combat bonuses make them exceptional at defending your territory and attacking enemies.

2. Establish National Parks

- Begin creating National Parks in areas with high appeal to leverage tourism benefits. Prioritize areas with natural wonders and appealing terrain to maximize the effectiveness of this unique infrastructure.

3. Diplomatic Relations

- Use your extra Diplomatic Policy slots to navigate complex diplomatic situations. Form alliances with other civilizations, and engage in trade deals that can enhance your economy.

Late Game Strategy

1. Cultural Victory

- Aim for a cultural victory by leveraging your National Parks and tourism. Build wonders and cultural districts to boost your tourism output further.

2. Modern Warfare

- As you advance into the late game, focus on upgrading your military units with modern technologies. Your Rough Riders can be upgraded, or you can transition to more advanced units like tanks and aircraft.

3. Win through Diplomacy

- Consider a diplomatic victory by engaging with other civilizations and winning votes in the World Congress. Utilize your strong diplomatic relations to sway votes in your favor.

Tips for Success

To succeed as Teddy Roosevelt, it's essential to keep certain tips in mind:

- **Balance Growth and Military:** While expanding and establishing cities, don't neglect your military. A strong defense will protect your growing empire.
- **Adapt Your Strategy:** Be prepared to change your strategy based on the actions of other civilizations. If one is aggressive, bolster your defenses; if they are focused on culture, consider a cultural victory.
- **Use Terrain to Your Advantage:** Take advantage of the terrain when positioning your units. Teddy's Rough Riders excel in their home continent, so use that to your advantage during battles.
- **Manage Resources Wisely:** Keep an eye on your resources and ensure you are trading effectively with other civilizations. This can help you maintain a strong economy and military.

Conclusion

Playing as Teddy Roosevelt in Civilization 6 offers a unique blend of expansion, military strength, and cultural prowess. By understanding his unique abilities and strategically utilizing them throughout the game, you can craft a powerful civilization that stands the test of time. Whether you're aiming for a cultural victory or dominance by military might, Roosevelt's strengths can guide you to success. Embrace the bold spirit of this historical leader, and you will find yourself conquering the world of Civ 6 with ease.

Frequently Asked Questions

What are the unique abilities of Teddy Roosevelt in Civilization 6?

Teddy Roosevelt has two unique abilities: 'Big Stick Diplomacy' which gives him extra diplomatic advantages in the Americas, and 'Rough Rider', which provides a unique cavalry unit with bonuses on hills.
