 - Heat oil in a deep pan to about 375°F (190°C).
 - Pipe strips of dough directly into the hot oil, cutting them to your desired length with scissors.
 - Fry until golden brown, about 2-3 minutes, turning as needed.
3. Coat with Sugar:
 - Remove churros from the oil and drain on paper towels.
 - Roll them in a mixture of sugar and cinnamon while still warm.

Making the Perfect Hot Chocolate

The hot chocolate served with churros is thick, rich, and often different from what many might expect.

Ingredients for Hot Chocolate

2. Thicken the Chocolate:

- In a small bowl, mix cornstarch with a bit of water to create a slurry.
