## Setting Up Your Cobaltx Limitless Wireless Earbuds

Getting started with your Cobaltx Limitless Wireless Earbuds is a straightforward process. Follow these steps to set up your earbuds:

### 1. Charging the Earbuds

Before using your earbuds for the first time, it's crucial to charge them fully:

- Open the charging case.
- Place the earbuds in their designated slots, ensuring they are securely docked.
- Connect the charging case to a power source using the provided USB cable.
- Allow the earbuds to charge for at least 1-2 hours until the LED indicator shows a solid green light.

## 2. Pairing with Your Device

To enjoy your favorite music or make calls, you need to pair your earbuds with your smartphone or other devices:

- Take the earbuds out of the charging case. They should automatically enter pairing mode, indicated by a blinking blue and red light.
- On your smartphone, go to the Bluetooth settings.
- Turn on Bluetooth and search for available devices.
- Select "Cobaltx Limitless" from the list of devices.
- Once paired, the LED indicator will stop blinking and turn solid blue.

## 3. Using Touch Controls

Familiarize yourself with the touch controls to enhance your listening experience:

- Play/Pause: Tap once on either earbud.
- Skip Track: Double-tap the right earbud.
- Previous Track: Double-tap the left earbud.
- Answer/End Call: Tap once on either earbud.
- Activate Voice Assistant: Triple-tap the right earbud.

# Troubleshooting Common Issues

While the Cobaltx Limitless Wireless Earbuds are designed for ease of use, you may encounter some common issues. Here are some troubleshooting tips:

## 1. Earbuds Not Pairing

If your earbuds are not pairing with your device:

- Ensure the earbuds are charged.
- Make sure Bluetooth is enabled on your device.
- Reset the earbuds by placing them back in the charging case, then taking them out again.

## 2. Poor Sound Quality

If you experience poor audio quality, try the following:

- Ensure the earbuds are securely fitted in your ears.
- Check for any obstructions in the ear tips that may affect sound quality.
- Disconnect and reconnect the earbuds to your device.

## 3. Short Battery Life

If the battery drains quickly:

- Make sure you are using the latest firmware for optimal battery efficiency.
- Avoid using high-volume settings for extended periods, as this can deplete the battery faster.

# Maintaining Your Cobaltx Limitless Wireless Earbuds

Proper maintenance of your earbuds will prolong their lifespan and ensure optimal performance. Here are some maintenance tips:

- **Regular Cleaning:** Wipe the earbuds with a soft, dry cloth regularly to remove dirt and sweat. Avoid using harsh chemicals.

- **Store Properly:** Always store the earbuds in their charging case when not in use to protect them from damage and keep them charged.

- **Update Firmware:** Check for firmware updates periodically through the official Cobaltx app to ensure your earbuds are running the latest software.

- **Avoid Extreme Conditions:** Keep the earbuds away from extreme heat or cold, and avoid exposing them to excessive moisture.
